

# Ekkat wōjke ilo mejatoto eo ej jepooḷe Majeḷ

## Kōḷōṇta in kin ekkān ko an Ri-Majeḷ - El Niño

- Kōḷōṇta in ej kwaḷok wāween an kōto, ṇo, im wōt oktak ilo tōreen an jino im ioḷap in iiō in El Niño, im aṇjiwiwi ko einwōt iien mōrā im dik ḷok an le kein ekkān ilo iiō ṇe āḷkin.
- Aitok in tōreen El Niño ekkā an ruo iiō. ṇe ejemḷok, eban bar jino jen jino in, ekkā an roḷ ṇan bar jekjek eo moḷta ṇe ejjab eoktak im La Niña, lale “normal” kōḷōṇta.
- Kōḷōṇta in Majeḷ ej ajej ilo ruo mōttan ko, Rak im Añōneañ. El Niño ej kōmṇan bwe Rak en kadu kūtien im mōḷawi, im tok āḷik kōmṇan bwe Añōneañ en aetok kūtien.
- Kōḷōṇta in ej pedped ioon iien maḍmōd ko an kein ekkān ko kijed, kōnke eto kūtien aer eddek (rej jab ekkat aolep iiō). Edik tōprak ko ilo iien maḍmōd (eiet kein ekkān) itok jān añōneañ in El Niño
- Pojak ṇan iien ḷaṇ ko im loloorjake kein ekkān ko ilo iiō ṇe jino in, bwe emōḷawi, im jino ḷomṇak e iiō in mōrā ṇe ej pojak in waḷok iiō ṇe tokāḷik.
- Kōḷōṇta in ej ṇan kwaḷok meḷeḷe ikijeen jorrān ko waḷok jān El Niño ilo Majeḷ. Ijo wōt ke, ej jab lukkuun alikkar ṇan kajjojo aelōñ bwe reoktak jān doon. Emaroñ wōr emaroñ naaj kōmṇan kōḷōṇta ṇan kajjojo iaan aelōñ ko. Aelōñ ko tuiōñ rōkajoor aer mōrā im ḷapḷok aer kajoor jorrān jān iien mōrā ko ilo El Niño.

*Kein kakememej:* Wōt (Giant taro) im bar jet kain kein ekkān rōmaroñ kalle aolep iien. kōlōñta in ej kwaļok iien mādṃōd ko ilo tōreen Añōneañ kōnke ilo tōreen Rak, armej rōkōnaan ekkat mā im iaraj

## Menin rōjañ ko ilo iien El Niño ikijjeen Agroforestry ak jerbal in ekkat im kōjparok kein ekkān ko.

Kōjparok kein ekkān ko iparijet ñan bōbrae agroforest ak kein ekkān ko jet kōto ko ilo iien kōto ko reļlap im iien mōrā ko.

Kein ekkān ko einwōt an waļok ijeko ewōr ni rej eddek ie

Kein ekkān ko einwōt an waļok ijeko iparijet.

## Kōppopo ñan iien eļļap kōto ko

Ilo iiō in El Niño ko, tropical storm ak kōto/ño ko rōļļap koba taibuun ko rōmaroñ jelōt Majel.

- Prune ak Karreo wōjke ko ilo aṃ joļok ra rej kōṃṃan pok ak rej jab kalle. Karreoik wōjke ko emaroñ jipaṃ kōṃanṃanļok jekjek in wōjke ko bareinwōt jipaṃ kadikļok an wōjke ko epidodo aer bōbo kōto im kōṃṃan kōuwōtata ilo iien ļaṃ ko.
- Karreo wōjke ko ak eṃṃanļok joļok wōjke ko epidodo aer naaj okjak ej wāween eo eṃṃan tata ñan bōbrae an naaj wōjke ko okjak im jiped juon eṃ.
- Ekkat ṃakṃōk, wot, im kein ekkā ko jet epen aer naaj jorrāan ilo iien ko ewōr kōto/ño ko rōļļap.
- Kōjparok im nikniki coastal vegetation ak kein ekkā ko iturin parijet ñan kadikļok/bōbrae coastal erosion ak an rōṃ itōrerein parijet im jorrāan ko jet waļok jān tab in ño ko ak jān lojet eo.
- Roñjake wōt “chatty beetle” ak retio ko.

## Mōļawi in mejatoto ko rōmaroñ bar jelōt kein ekkā ko ilo iiōñ El Niño ko – kōjparoki

Ilo allōñ ko iṃaan tata ilo iiō in El Niño ko (Jawōde – Juun), emaroñ ṃokta ļok jān an waļok naan in keaṃ ak kōkapilōklōk ko, enaaj ļap an wōt jān joṃan ko ekkā an wōtļok. Emaroñ wōnṃaanļok wōt an ļap an mōļawi mejatoto jān joṃan ilo iiō eṃ, ṃaan ļok ñan Nobōṃba ak Tijemba.

- Ekkat leen wōjke ko ilo bwidej ko rōutiej, bwe en eṃṃan an tōṃrļok dān ko jāni.
- Lale katu in wōt ko: ekkat kein ekkā ko eṃōkaj aer eddek im maroñ kalle ṃokta jān iien det ko.
  - Iaraj
  - Pele
  - Piteto (Sweet Potatoe)
  - Baañke
- Ekkat pele bwe rōūni im rōkabwebwe bwe epidodo aer eddek ijeko rōṃōrā. Men kein kwōj aikuļ bar katōki jān juļier aolep kajjojo ruo ļok ñan jilu allōñ ilo ijeko rōllor jidik im peļļok.

## Kōppopo ṃōṃōkaj jān iien ṃōrā ālikin iiō in El Niño eo

Ilo iiō eo ālikin iiō in El Niño eo, enaaj dik an wōt jen joṃan ko ekkā an wōtļok. Ewōr jet kein ekkā ko rōmaroñ jab eddek.

- Lale katu in wōt ko - kālōt eļāññe kwōj aikuļ kōṃṃwij ļok aṃ ekkat kein ekkā ko eto kūtien aer eddek āinwōt ni ak wōjke ko ṃae iien eṃeļok iien ṃōrā.
- Kōpooj jikin dān ko (ñan iaraj) im kein idaak ko.
- Kōṃṃan kōṃ jān kein ekkā ko jet im kōjerbali ñan jipaṃ dāpij dān ak mōļawi in bwidej ko.
- Kōpooj mā (ñan bwiro) im bōb (ñan mokwaṃ) im kein ekkā ko jet.
